July 27 - 29, 2010

Pre-Decisional - For Planning & Discussion Only

Introductions

- Dr. Curt Niebur – NASA/HQ Program Scientist
- Len Dudzinski – NASA/HQ Program Executive
- Dr. Robert Pappalardo – NASA/JPL Pre-Project Scientist
- Dr. Michele Dougherty – Co-Chair, Joint Study Science Definition Team
- Tom Gavin – NASA/JPL Pre-Project Manager
- Tom Magner – JHU/APL Assistant Pre-Project Manager
- Christian Erd – ESA JGO Study Manager
- Arno Wielders – ESA JGO Payload Lead

Workshop Purpose

Prepare the instrument provider community to be ready to propose to the JEO and JGO opportunities

Facilitate community discussion and input especially as related to JEO AO approach

Of primary discussion will be:

The approach to the JEO 2-Step Announcement of Opportunity for Instruments

Current technical accommodation data related to the JEO spacecraft

Updated technical data related to on-going risk mitigation activities

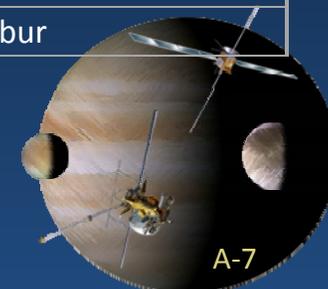

JGO Announcement of Opportunity approach
